**NEAPOLISENSEMBLE**

Dopo il precedente progetto dal titolo "Napoli" (CAL 9367), lo studio del gruppo Neapoli Ensemble continua nella scoperta dei valori autentici della musica napoletana. Ora il tema conduttore è la resistenza contro la scomparsa delle lingue, delle tradizioni, verso la violenza del pensiero unico e dell'omologazione. Il sentimento e la gioia di vivere viene espresso attraverso i volatili: uccelli, api e naturalmente "a palummella" (la farfalla).
